

MEAT RAFFLE FAQs

What is a Meat Raffle?

A Meat Raffle is a raffling of meat, varying in animals and cuts. The meat comes from a local butcher and is a fun way to stock up before the summer barbeques! Proceeds benefit the Rochester Academy of Irish Dance Parent Association.

What kind of meat is being raffled?

We will have several varieties of meat including steaks, pork loins, turkey, chicken, bacon, ribs and much more! We also offer chicken fingers, pizza rolls and maybe a corned beef or two!

How does it stay cold?

The meat is delivered from A&G Food Services the day of the event and will be housed in a refrigeration truck. Each winning item will then be removed from truck and given to each winning ticket holder during the event. Attendees are encouraged to bring coolers for their winnings.

What if I don't eat meat?

A meat raffle is a fun social event! There will be music, games and dancing and we encourage attendees to bring their own food and beverages. Purchasing raffle tickets is up to you, so if you want to come and have a great time with your meat loving friends and family, you are more than welcome to join us!

What should I bring and/or expect?

Doors open at 6:00PM with first raffles starting around 6:30PM.

Things to bring:

- Food & Beverages to share with your table (or not!)
- Cash (Singles are encouraged to make our lives easier, but we will have cashiers to help exchange bigger bills)
- Cooler (To carry your food and beverages in and carry your winnings out)

How does it work?

The meat raffle is divided into "rounds". At the beginning of each round, the emcee will announce the items for that particular round. Ticket sellers/runners walk around the room at the beginning of each round selling tickets. Each ticket price varies by round and will cost \$1 - \$5 and usually have two or more numbers. This means that if the wheel lands on either of your numbers for that round you win the meat for that spin. Each spin produces multiple winners because the same numbers are sold to multiple people each round. There will be a total of 8-12 rounds, with several drawings per round. Attendees can buy as many tickets as they'd like.
